

## Foreign Christian Worship Activities in Taipei Prison

On 11/2/04/11 around 60 foreign inmates were happy to join a TFICA event in the big meeting hall of Taipei Prison. About 20 TFICA volunteers and friends awaited them there. After a warm welcome touching songs and a presentation in five languages on "Easter" took all participants to a greater view on what life is about and what wonderful hope is there for anyone. Then several inmates showed their new hope by getting baptized or by getting blessed respectively.

After believers joining in the ceremony of Holy Communion, every language group got a special encouraging message by one of their TFICA volunteers. In some groups inmates gave a testimony to their fellows how they got encouraged and blessed. In the Thai group they also enjoyed celebrating Thai New Year together: blessing one another by pouring a little water on one another. Time passed too fast. But everybody left the event with joy and is looking forward to the next event.

Cảm tạ Chúa !
